_____)	

This matter is presently set for sentencing on May 28, 2013. The parties hereby stipulate and request the Court's approval to reschedule the sentencing to June 11, 2013. The parties make this request in light of counsel's unavailability on the current sentencing date and in consideration of the fact that defense counsel will be traveling from Los Angeles to appear in this matter. This is the only request that the parties have made to change the date of sentencing. The request is made in good faith and the parties do not believe that the two week delay will unfairly prejudice the defendant.
